## Evening Fly after last business meeting.

The days are getting shorter, quicker. After our last business meeting we had a little time for general flying before turning on the lights.

### Scene at KVMA Airfield

Meet Bob, veteran full scale & helicopter pilot, working on his r/c rating.

Caleb starts his flying career.

Nice to see Dave back at the field.

# Roland Woodworth Picnic & Glider Fly-In

We had a great time at the Roland Woodworth Picnic and Glider Fly-in in August. It was very warm with a light breeze. In addition to a good member turnout, several visitors were in attendance. The usual activities got underway with Bob C. ferrying gliders to their release point, one after the other. Gliders were

available for anyone that wanted to try but didn't have their own craft. It wasn't only gliders, of course. The usual variety of flying machines were active as well. Some visitors were able to try their hand at piloting with Chris Hall & his buddy-box setup.

Several opted to "ride shotgun" in the chase drone. Mark & Cindy cooked a wonderful lunch of hot dogs & hamburgers. Overall, a perfect flying day.

### KVMA Meeting Minutes for 7-24-25

Meeting called to order by Shawn at 7:00 pm with 16 members present.

Motion made to accept minutes from last meeting as published in the newsletter was passed.

Treasurer's report was presented and accepted as read.

#### Old Business:

- Report of the July Art Aubé Glider Fly-In was discussed and noted that Art's family members were present and enjoyed the event in his honor. They shared photos of his earlier flying days. Thanks to Ken for getting the food.
- Report of the Aeroscout Fly-In was mentioned and noted we had a nice turnout of members with Aeroscouts. Vic was thanked for providing the food.

#### New Business:

- FCAM Lily Pond Float Fly Flying event this coming Saturday, August 9, was discussed and noted that Wayne has indicated he will attend. Bob and Joe are bringing all the needed food, grills, and rescue kayak. At the moment, 7 flyers are planning on attending.
- Upcoming Annual Picnic and Roland Woodworth Glider Fly-In this coming Sunday, August 10, was discussed and Ken has volunteered to bring the food.
- FPV Rules: There was an extended discussion of FPV flying and how to make sure new members are aware of the rules. Our club adheres to the AMA rules and they will be discussed with new members before any FPV flights.
- Chris mentioned a scam web site is trying to imitate Horizon Hobby and how to ensure you are using the real web site when ordering.
- A motion to add Mark and Cindy's names to the KVMA Legends board was approved noting these two members have done a tremendous amount to support KVMA.

A motion to adjourn was approved at 7:23 pm.

Respectively Submitted: Joe Gilbert, Sec. Pro Tem
