Maine RC Expo & Swap Meet (September 13)

Folks from all over joined us at the Winslow VFW for the first Maine RC Expo & Swap Meet

The rain made things a bit interesting for those who were shopping and swapping out in the parking lot. A few canopies helped but overall it was pretty damp.

Inside the hall various vendors set up displays of their merchandise or services. RC Destination and King's Mountain hobby each had a large selection of RC gear. There was an indoor 4x4 rock climbing course open for those that wanted to try their hand at RC off-roading.

District representatives from the AMA were on hand to provide literature answer questions. They also brought a couple RC simulators. KVMA members had displays as well. Mike had an impressive array of helicopters, Joe brought his Tetraed III, Jay displayed 2 beautiful biplanes and Eric brought his Fly Baby.

Razordon helped sponsor the event and donated several RC helicopters that were raffled as the day went on.

Hats off to Mike Celentano for being driving force that put all this in motion. The VFW Auxiliary staff provided food and refreshments and were very helpful and friendly.

Two years old and doing an outside loop in a Pitts Special. Very promising.

KVMA Meeting Minutes - September 02

Meeting opened at 7PM with 16 Members & Guests present.

A motion to approve minutes of the last meeting as published in the newsletter was passed.

The Treasurer presented his report and a motion to approve as read was passed.

Old Business:

- Mike spoke about the invitation from the Vets Fest event on Sept 12 at the Skowhegan Area High School and we are invited to display military aircraft, etc. Our location is inside and Mike says the ceiling is high enough for some indoor flights.
- Mike spoke at length on the upcoming Swap Meet/RC Expo at the VFW hall on Sept 13. Help is needed for various tasks before and during the event. Ken will have a new club banner available also. We will have a flight simulator available for the public to try and they may be opportunities for flight demos if conditions permit.
- Shawn will see that a NOTAM is issued for the Swap Meet event as we may be able to have flying demos.

New Business

- Joe reminded all of the FCAM Lily Pond float flying event on Sept 19. All are invited.

Motion to adjourn at 7:27 pm. passed.

Respectively Submitted: Joe Gilbert, Secretary Pro-Tem.
