End of Season Fly-In (October 4)

Our final event of the season was a great success. The winds were light and the clouds were beautiful. Many members turned out and we had a few visitors as well. Overall, we could not have asked for a better day. There were a couple first time flyers with the buddy box. Eric brought his Fly Baby. Bob overpowered his helicopter. Hunter put on an extreme flying seminar with his tail-dragger Aeroscout. Visiting pilot Ralph brought some sweet planes. Joe made a pig fly. Vic fed us all and if you weren't there you really missed out. KenP

KVMA Meeting Minutes - September 02

Meeting called to order by President Shawn Gibson at 7:00 pm with 10 members present.
A motion to accept the minutes of the last meeting as published in the newsletter was approved.
The Treasurer presented his report and a motion to approve passed.

Old Business:

- A discussion of the RC Expo/Swap Meet ensued and Mike Celentano, although absent, was congratulated for his efforts in organizing the event. There was a good turnout of visitors although most were for ground based vehicles and not flying models.
- It was decided to hold the swap meet separately next year at the airport as we have access to indoor facilities if the weather doesn't cooperate!

New Business:

- The End of Season Fly-In was a great success with a nice day and turnout. The club had a visitor from Utah, Ralph Derico, who was staying in Brownville join us for the day and he enjoyed his time at the field. He hopes to return at some time.
- Ken provided an update on Dave Lanman's health. Dave is in a facility in Readfield and he had recently visited him.
- Joe brought up the upcoming election of officers in December. Shawn appointed Joe and Bob Chapman as members of the nominating committee. Joe mentioned he had earlier taken an informal poll of existing officers and all had been willing to serve another year.
- All officers were present at the meeting and all reaffirmed their willingness to serve again. Joe mentioned he is willing to continue as Secretary. It should be noted any member in good standing can decide to run for any office if he wishes. Just tell a member of the nominating committee or any officer of his desire.
- There was mention of a group that is flying RC in Winslow at the old high school parking lot.. They were posting on Facebook.
- Repairs to shed was discussed and most likely will be done on the next work day in the spring.
- Bob mentioned he is willing to perform the tractor maintenance again this year if someone can deliver the tractor to him once mowing season is done.
- Chris mentioned it is the time of the year for the Treasurer to determine if there is a need for a dues increase. Mark said he will have the needed information available at the next meeting.

Motion to adjourn at 7:43 pm passed.

Respectively submitted, Joe Gilbert, Secretary Pro-Tem
